Audit Scope

MR Box is a 4 acre warehouse for packaging materials located at 20253 Ave 4, Richgrove, CA 93261. The facility operates year round with 18 employees at peak season. The scope of the audit includes a review of the Food Safety Management System, GMP documentation and inspection of the facility and surrounding areas. The facility handled packaging material (e.g. boxes, plastic bags, clamshells, etc.) for agricultural producers. The warehouse was composed of storage rooms for packaging materials, 4 box assembly machines and lines, shipping areas and main office. Packaging materials were stored at ambient Temperature, with no use of water for production lines or storage areas. Employees were observed handling boxes for organic blueberries and following proper GMP practices at the time of the audit. Packaging materials were shipped through contracted trucks or picked up by customers.
